

Mrs. Susan Russ Walker RECEIVED

I have Been sending money to you
I get 50 Dollars every two weeks
and the camp takes 20% which
is 10.00⁰⁰ and sends it to you
I've only Received 100⁰⁰ ~~so~~ since
March 1st and probably won't receive
anymore because my wife just bought
a new house and a new car.

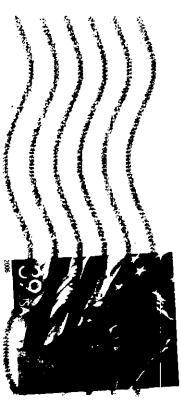

Here's my Receipt's, They don't
ever put the Gross on there they
only put the Net which is after
they get ~~what~~ is needed. I really
need to do something about this
case, I really need to be removed
from this camp and taken to
another one some how. The problem
is getting worse. I still haven't
been able to read the S.O.R so I'll
know the rules. Thanks,

Daniel Jay
